**ACTIVITY REPORT**  
**of the Osteogenesis Imperfecta Romanian Association "Fragile People"**  
**for the year 2016**

**DEPLOYED ACTIVITIES**

1. **Granting non-reimbursible financial allowances** for some families, aiming at partial/total financing of direct and indirect expenses (drugs, medical devices, transport, etc.) linked to OI treatment. This is our main action toward supporting OI persons. The grand total of such allowances is 16.700 lei, for 6 persons (5 children, 1 adult).
  
2. **Sending sums as Christmas gifts** This has been done for all OI persons in our national database, both members and non-members, on the occasion of Christmas 2016. All in all, 40 persons (out of which 35 children and 5 adults) were recipients of these sums, for a grand total of 12.200 lei . This action became a good tradition within our organization. We are very glad that this year these sums were much larger than in 2015.
  
3. **Participation to OI international Congress in Lisbon, 6-8 October 2016.** Our association was represented by a delegation of two members: its president and its secretary. This was a good opportunity to update our knowledge in the field of OI treatment, and the new approaches have been communicated to our members.
  
4. **Donation of a syringe pump Alaris, of a money value 4.605 lei** to Clinical Emergency Children's Hospital "Grigore Alexandrescu" in Bucharest. The donation took place on 12

September 2016, and was received by the hospital's manager, Professor Dan Mircea Enescu. This donation adds too older donations, in 2012 and 2014, which were made to the benefit of children's hospital in Bucharest.

**5. Periodically updating of our website**, [www.oiom.ro](http://www.oiom.ro), with news and other useful information.

**6. Collecting funds**, through mechanisms such as: filling the fiscal form 230, getting donations from persons and companies etc. Special thanks must be addressed to all people who supported us in getting the money needed to our functioning and fulfilling our statutory objectives!
